

## Media Release

### Golf Membership and Reciprocal Rights

**26 April 2026**

Jervis Bay Community and Sports Club (JBCSC) Board has decided that all future JBCSC members who renew their golfing membership with St Georges Basin Country Club (SGBCC) this year, will have that golf membership fully recognised by JBCSC at the point of de-amalgamation, **at no additional cost**, right through to the next membership cycle in July 2027.

In essence, you keep everything: you remain a full SGBCC golfing member with all your current privileges, and also become a JBCSC golfing member without paying a cent more.

In addition, the JBCSC Board proudly celebrates the loyalty and commitment of all our future members, our fellow members of SGBCC, and just as importantly, the strength of our wider golfing, sporting and social community. In that spirit, we are excited to announce the Board of JBCSC has unanimously endorsed a genuine show of unity by offering **reciprocal rights** to all golf members of the St Georges Basin Country Club to JBCSC, once established.

JBCSC wants to deliver more access, more opportunity, and one strong and cohesive community moving forward together.
