

The Vincentia Stray Dogs are a bunch of local blokes who get together for a game of golf, a laugh and a bit of mateship, but who also believe that being part of our wonderful Bay and Basin community means looking out for others, especially those doing it tough and most especially our community's kids and grandkids.

And right now, we'd love your help to bring a little joy to some very special local kids and their families through 'Shoalhaven Kids in Need'.

Shoalhaven Kids in Need is a wonderful local charity run entirely by volunteers, supporting children with cancer and other serious illnesses, along with their families.

♥ LET'S GIVE LOCAL KIDS BATTLING CANCER AND SERIOUS ILLNESS A CHRISTMAS TO REMEMBER! ♥

Some local kids are fighting battles no child should ever face. This Christmas, let's give them something to smile about.

They're our kids. Our neighbours. Our community.

This Christmas, the Vincentia Stray Dogs want to do something special for them. And we'd love your help!

🎄 JUST IMAGINE WHAT WE COULD DO TOGETHER! 🎄
